

ABOUT US

The Pricing People is a young, dynamic, family owned company founded to help retailers solve their problems.

We are run by ex retailers so we really do understand the issues that you have and the best way to solve them.

We have the best range of solutions for price label and tag printing, and in particular in-store reduction labelling, of any supplier in the UK.

In addition we have access to the cheapest label suppliers in the world and will not be beaten on price by another UK supplier.

Are your staff spending too long writing out price labels, when they should be on your shop floor selling?

Or, are you battling with pre printed labels that limit your flexibility in putting on promotions?

How about kit that is too old, inflexible or just not up to the job?

Or, simply, do you already have a good price labelling solution but you are fed up of constant media price rises?

**If any of the above are true we can help you.
Call us now on 0800 083 5435**
