

IN STORE DESKTOP LABELLING SOLUTION

The lowest price and most flexible desktop label printing solution on the market for retailers today.

What can it print?

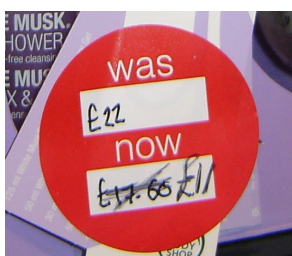

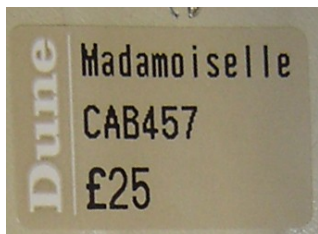

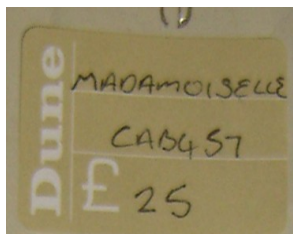

- Barcodes
- Prices
- Descriptions
- Colour / size
- Was / now labels
- % off labels
- Offer e.g. BOGOF
- Shelf edge
- Swing tickets
- And more - just ask!

Key Benefits

- Save time when preparing for sale or pricing incoming deliveries - freeing up time for staff to sell
- Improve quality, look + feel of labelling
- Improve flexibility of promotions - no more relying on pre printed stationery limiting your offers
- Save cost vs other direct thermal labelling solutions
